

# Exploring Drawing, Sketching, Pen & Ink with Khatcho

Please do not feel you need to make a huge purchase of supplies prior to the start of class. I am happy to consult with you before you make any purchases. As the course progresses, we may explore other supplies and make recommendations for purchase.

## **For the first class please bring:**

- Drawing pad
- Pencils
  - o 2H
  - o HB
  - o 2B
  - o Eraser

## **For subsequent classes please bring:**

- Watercolour set
- Watercolour paper pad—minimum 90 lb stock, preferably 140 lb stock
- Pen & waterproof black ink—these can sometimes be available in sets

Other supplies may be recommended as the class progresses.

I look forward to meeting you in class!
